

Mexican American Legislative Leadership Foundation, Inc.

Established by the Mexican American Legislative Caucus (MALC), the Mexican American Legislative Leadership Foundation is a non-profit, non-partisan foundation committed to fostering the development of leadership among Latino youth. The Foundation accomplishes this goal by sponsoring the Moreno/Rangel Legislative Leadership Program and facilitating the involvement of young Latinos in the political process. Providing an environment for the advancement of future leaders, the Legislative Leadership Program offers undergraduate and graduate students the opportunity to gain first-hand experience in the functions and operations of the Texas House of Representatives. Participants will learn how state government works and interacts with the public and become better equipped to serve the communities they represent. This year, the Moreno/Rangel Legislative Leadership Program is proud to announce that it will be celebrating its 13th anniversary. We encourage you to apply and join the enduring legacy of Latino leadership this program has fostered since 2003, by being a part of the 8th cohort of Mexican American Legislative Leadership Fellows.

Program Description

Named for the longest serving Hispanic member of the Texas House of Representatives, Paul C. Moreno (El Paso), and the first Mexican American woman to serve in the Texas Legislature, the late Irma Rangel (Kingsville), this program provides an opportunity for undergraduate and graduate students across Texas to gain real experience working in the Texas House of Representatives. Program participants will be placed in one of the MALC Caucus members' offices and serve as full-time policy fellows. Fellows will work alongside experienced legislative staff and participate in weekly seminars where they will interact with other program participants, Latino leaders, elected officials and state agency representatives.

In addition to learning the legislative process and developing their leadership skills, participants will receive a monthly stipend to assist with living expenses. The Moreno/Rangel Legislative Leadership Program officially begins on the first day of the legislative session, January 10, 2017, and ends following the last day of the session (*sine die*) on May 29, 2017. Fellows will be required to work full-time in Austin, Texas for the entire duration of the legislative session. Fellows are also required to attend a pre-program orientation on Friday, January 6.

Work Requirements/Academic Credit

Applicants should understand that all program participants will be considered full-time staff by the members' offices where they are placed. **Though responsibilities may vary from office to office, program participants should expect to work beyond a typical 40-hour work week.** The determination of how many credit hours the Legislative Leadership Program qualifies for will vary among colleges and universities - it is the student's responsibility to learn how their respective schools award academic credit.
