

Mexican American Legislative Leadership Foundation, Inc.

The Mexican American Legislative Leadership Foundation is a non-profit, non-partisan organization committed to fostering the development of leadership skills among Latino youth.

The Foundation was established by the Mexican American Legislative Caucus (MALC) to encourage Latino youth to engage in the political process and furthered this goal by sponsoring the Moreno/Rangel Legislative Leadership Program in 2003. The leadership program offers undergraduate and graduate students the opportunity to gain first-hand experience in the functions and operations of the Texas House of Representatives during a legislative session. Participants will learn how state government works and interacts with the public and become better equipped to serve the communities they represent.

Moreno/Rangel Legislative Leadership Program Description

The Moreno/Rangel Legislative Leadership Program is named in honor of the longest-serving Hispanic member of the Texas House of Representatives, Paul C. Moreno (El Paso), and the first Mexican American woman to serve in the Texas Legislature, the late Irma Rangel (Kingsville). The leadership program provides an opportunity for undergraduate and graduate students across Texas to gain real experience working in the Texas House of Representatives. Accepted program participants will be placed in a MALC members' legislative office and serve as a full-time policy fellow. Fellows will work alongside experienced legislative staff and participate in weekly seminars where they will interact with other program participants, Latino leaders, elected officials and state agency representatives. Program participation is subject to change from in-person to virtual and/or remote participation due to the pandemic.

In addition to learning the legislative process and developing their leadership skills, participants will receive a monthly stipend to assist with living expenses. The Moreno/Rangel Legislative Leadership Program begins on January 5, 2023 with a mandatory program orientation, and ends on May 31, 2023. Fellows will be required to work full-time in Austin, Texas for the entire duration of the legislative session.

Note: Program participation is subject to change from in-person to virtual or remote participation due to the pandemic. All applicants shall expect in-person participation unless modifications have been in accordance with the current public health crisis. All final applicants will receive appropriate and detailed instructions on participation requirements.

Work Requirements/Academic Credit

Applicants should understand that all program participants will be considered full-time staff by the members' offices where they are assigned. Though responsibilities may vary from office to office, program participants should expect to work beyond a typical 40-hour work week. We encourage participants to seek educational credit as part of their participation in the leadership program. The determination of how many credit hours the Legislative Leadership Program qualifies for will vary among colleges and universities - it is the student's responsibility to learn how their respective schools award academic credit and provide requirements to foundation staff in advance of starting the program.
